*"As a surgical nurse who cares for many cosmetic plastic surgery patients, I've seen the work of other plastic surgeons, and Dr. Patronella truly is in a class by himself. He has an eye for creating exceptional results."*

*Patty, surgical nurse and patient of Dr. Patronella, Columbus, TX*

*"I'm a physician myself, and I was looking for a plastic surgeon who had it all: great skills, excellent bedside manner, and a great personality; Dr. Patronella has it all. I had the VERY BEST DOCTOR and if I were to choose again, it would be him."*

*C., physician, mother of two and patient of Dr. Patronella, Galveston, TX*

*Introducing  
a new dimension in tummy tuck surgery*

**The True Form Tummy Tuck™**

*Creating elegantly detailed results  
beyond the standard tummy tuck*

*"I was compelled to develop tummy tuck results that had a more genuine, natural appearance. The True Form Tummy Tuck™ technique is a culmination of my efforts to produce an aesthetic outcome that more authentically captures and restores the simple, sensual beauty and elegance of the abdomen."*

*With this sophisticated approach, I redefine the abdomen's attractive contour nuances and create soft, smooth transitions to avoid the flat-as-a-board look and other common pitfalls of the standard tummy tuck."*
